Overview

Dear colleagues and partners,

We are thrilled to share our promotional materials for the [EANM'25 Congress](#) with you!

Our aim is to ensure that you have all the necessary information to effectively and appropriately use these resources.

Please take a moment to review the following guidelines:

- The promotional materials provided in this package are intended for both **online and print usage**. You are encouraged to use any of these materials to promote the [EANM'25 Congress](#).
- It is of utmost importance that these materials are not subject to alterations. This means that you should **refrain from making any modifications or amendments to the text, images, or layout of the materials**. We kindly request that you use the materials as provided and that you maintain their original format.

Approval:

- **For banners and posters**, there is no approval required for online use as long as the materials remain unchanged. However, once the material is published online, please send the URL link of the respective site or social media to communications@eanm.org. If any modifications are made, prior approval is necessary.
- **For print publications**, please send a digital proof before printing and allow a 5-workday period for any potential revisions.
- If you use the **EANM'25 logo**, approval is required for both online and print use. Please send the URL link of the respective site or social media (once the material is published) to communications@eanm.org. For print publications, please send a digital proof before printing and allow a 5-workday window for any revisions.

By following these guidelines, you contribute to maintaining a consistent and professional image for the [EANM'25 Congress](#). If you have any questions or concerns, please feel free to reach out to us.

Thank you for your support!

Guidelines for the EANM'25 Logo

Do's

- The **logo has a transparent background**. The original master logo can be used over a monochrome background, or even over a photograph/video as long as the **colours don't clash** and the **logo remains readable**.
- The logo should always be placed with **enough distance from other objects** and should be as large as possible within the given layout. The logo must never intersect with other objects.
- The smallest recommended size for the logo is **2 cm in height (for print)**.

For use over a busy background, the **white logo variation** will usually be the best suited.

BORDEAUX: HEX #92221D | CMYK 29/96/99/33 | RGB 133/32/26

EANM GOLD: HEX #C1A874 | CMYK 24/31/66/1 | RGB 193/168/116

Don'ts

USING TOO SIMILAR OR CLASHING COLOURS

SELECTING A TOO BUSY BACKGROUND MAKING IT DIFFICULT TO READ

ENCLOSING THE LOGO IN A GRAPHIC ELEMENT

PAIRING THE EANM'25 INAPPROPRIATELY WITH YOUR COMPANY'S LOGO

USING THE WRONG COLOUR/DIFFERENT COLOURS

SWITCHING ELEMENTS OF THE LOGO

STRETCHING OR DISTORTING THE LOGO

ROTATING/CHANGING THE ANGLE, ALIGNMENT OR RELATIVE LOCATIONS

Only the Design Department of the EANM Executive Office is entitled to make changes, updates, or grant exceptions to the provided guidelines. Any use of the visuals beyond what is explicitly mentioned in the manual is prohibited. Thank you for your understanding!
