BY THE CONGRESS CHAIR

VALENTINA GARIBOTTO

EANM CONGRESS CHAIR 2023–2025

Dear Colleagues,

It is with great pleasure that I invite you to the EANM'25—the 38th Annual Congress of the European Association of Nuclear Medicine (EANM). The EANM'25 will be held in the vibrant city of Barcelona from October 4–8, 2025.

This year marks a significant milestone for our association as we celebrate four decades of pioneering advancements and collaborative efforts in the field of nuclear medicine. Our congress will be a unique opportunity to reflect on our journey, celebrate our achievements since 1985, and look ahead to securing the brightest future for our specialty.

The EANM Annual Congress is a truly global event, attracting about 10,000 participants from all over the world. This diverse gathering of professionals provides a rich platform for the exchange of ideas, fostering international collaboration and innovation. We are committed to exploring novel formats and interactions with experts, ensuring that our congress remains at the forefront of scientific discourse and professional development.

One of the highlights of this year's congress will be the continued focus on novel advances in theranostics. This rapidly evolving field continues to revolutionise our approach to diagnosis and treatment, offering unprecedented precision and personalised care for our patients. We have an exciting programme lined up, featuring leading experts who will share their insights and latest research findings.

But our congress is also designed to cater to all fields of research and clinical activity within nuclear medicine. We have specific tracks

dedicated to all the various specialities, ensuring that every participant can find sessions relevant to their interests and expertise. Whether you are involved in clinical practice, research, or education, there will be something for you at the EANM'25.

In addition to the scientific sessions, the EANM'25 will provide ample opportunities for networking, collaboration, and professional development. We are particularly proud of our EANM Next-Gen programme, which was launched last year to support our younger collaborators. This initiative offers free registration and accommodation to selected participants to facilitate their attendance and integration into the scientific community, ensuring that the next generation of nuclear medicine professionals is well-represented and engaged. This year again, we will also offer a Young Professionals Lounge for congress participants under 38.

I am also very happy to travel once again to Barcelona, with its rich cultural heritage and dynamic atmosphere, which will serve as the perfect backdrop for our gathering. We look forward to welcoming you to what promises to be an inspiring and memorable event. Your participation and contributions are invaluable to the continued success and growth of our community.

Warm regards,

Valentina Garibotto
EANM Congress Chair 2023–2025

EANM BOARD

The Board is the highest executive level of the specialty, creating and safeguarding the EANM's vision to help the specialty continue to thrive.

Promoting scientific excellence is one of the cornerstones of the EANM's strategy.

SCIENTIFIC PROGRAMME

PLENARY SESSIONS

The Plenary Sessions represent the pinnacle of the EANM's Annual Congress. They are organised by the Congress Chair. Each Plenary session is dedicated to a distinct topic, providing a platform to exchange perspectives.

Continuing the tradition from past years, the Highlights Lecture (Plenary 1) will be held during the Opening Ceremony on Saturday evening, featuring the most impactful sessions and must-see presentations.

JOINT SYMPOSIA

The EANM collaboratively organises sessions with partner societies, spotlighting pivotal topics and mirroring the multidisciplinary nature of nuclear medicine. Our Joint Symposia typically focus on topics where both the EANM and the partner society share content synergies, presenting diverse perspectives, methodologies, opportunities, and challenges.

CLINICAL ONCOLOGY TRACK

Oncology plays a central role in our daily clinical practice and continues to evolve rapidly.

We highly encourage you to attend the Clinical Oncology Track to stay informed and deliver cutting-edge oncological care to your patients.

Providing the best possible patient care requires staying ahead of the curve and keeping up with

the latest scientific advancements. We therefore invite you to join us at EANM'25 and explore the Clinical Oncology Track, featuring the most outstanding submitted abstracts in the field of Oncology!

Karolien Goffin, EANM Oncology & Theranostics Committee

CUTTING EDGE SCIENCE TRACK

This track aims to bring together all the disciplines concerned with Physics, Dosimetry, and Radiobiology and to provide attendees with the most cutting-edge innovations in these fields.

Medical Physics is a complex specialty which covers a broad range of areas ranging from the development of new detectors/imaging equipment to image reconstruction and quantification, dosimetry, tracer kinetics, radiobiology, and radiation protection. Today's new challenges include the integration of Artificial Intelligence (AI) into most of these technical areas, as well as its eventual implementation in clinical practice. One major objective is to enhance the interaction between all these disciplines, given their prominent role within the field of Nuclear Medicine by

promoting a deeper interdisciplinary scientific discussion. Consequently, there will be more so-called Featured Sessions which combine invited speakers and abstract presenters.

The EANM Dosimetry, Physics, and Radiation Protection Committees will coordinate the scientific programme for the meeting jointly with the support of the Congress Chair.

We can't wait to welcome you to EANM'25—don't miss out!

Caroline Stokke, EANM Dosimetry Committee
Ana Denis-Bacelar, EANM Physics Committee
Jens Kurth, EANM Radiation Protection Committee

M2M TRACK

M2M – the 12th edition of the 'From Molecule to Man' Track – will delve into the cutting-edge of translational developments in Imaging and Therapy.

Since 2014, the M2M sessions have been one of the main pillars of the EANM Annual Congress. The M2M Track encourages cross-disciplinary collaboration between the various scientific disciplines concerned with molecular/nuclear imaging and therapy. By providing a platform for a wide range of scientific and medical aspects, the M2M sessions have become a dynamic forum which brings together scientists (e.g., radiochemists, physicists, and biologists), industry representatives, and clinicians – all contributing to the evolution of translational science.

The M2M Track features a curated selection of speaker sessions and paper presentations dedicated to connecting fundamental research with unmet medical needs. The EANM Committees for Translational Molecular Imaging & Therapy and the EANM Radiopharmaceutical Sciences Committee jointly coordinate the scientific programme of the M2M Track, while the EANM Executive Office handles organisational matters.

We hope that you will enjoy the sessions of the M2M Track 2025!

Tessa Buckle, EANM Translational Molecular Imaging & Therapy Committee
Harry Hendrikse, EANM Radiopharmaceutical Sciences Committee

WORDS OF WELCOME

BY THE CHAIR OF THE TECHNOLOGISTS COMMITTEE

AGATA PIETRZAK

CHAIR, EANM TECHNOLOGISTS COMMITTEE

Dear colleagues and friends,

Dear fellow technologists,

It is an honour and a great pleasure to invite you to the EANM'25 Annual Congress in Barcelona (Spain), on behalf of the EANM Technologists Committee.

Every congress is unique – but regardless of the time or location, it is always highly attended and ever-growing. For the members of the Technologists Committee and myself as Committee Chair, the most rewarding part is seeing Nuclear Medicine Technologists come together, connect, and exchange. As passionate, active, and ambitious professionals dedicated to lifelong learning, technologists are the backbone of Nuclear Medicine procedures. This is a very special group of specialists, who work closely with patients and caregivers, planning procedures and ensuring the highest quality of studies.

During the EANM'25, the Technologists Committee will once again deliver a full dedicated programme – the so-called Technologists' Track. This track is specially tailored for Nuclear Medicine Technologists, and covers daily clinical and scientific routine, as well as educational content. Every year, the Technologists Committee strives to create a multidimensional programme, bringing together interdisciplinary professionals to present the most relevant and up-to-date content. Moreover, this track reflects the true meaning of the word "collaboration", by involving colleagues and friends from other EANM committees and sister societies to highlight the importance of interdisciplinary teamwork in the medical field.

The Technologists Track is your opportunity to:

- » Gain deeper insights into Nuclear Medicine as highly specialised technologists

- » Access valuable resources such as the European Qualification Framework (EQF 6 & 7) and copies of the Technologist's Guide copies. Do not miss it!
- » Explore cutting-edge topics, including: continuous education models for NMTs, FAPI studies, and more!
- » Enhance your practical skills through Mini Courses designed to support your daily clinical work.

In addition, we are committed to acknowledging your contributions and celebrating excellence in the field. During the e-poster and oral presentations, we will recognise outstanding work, with awards for the best presentations! As in previous years, we expect these sessions to be of very high quality and to offer valuable opportunities to share knowledge.

At the EANM'25, we hope to create another memorable and enriching congress experience, filled with high-level clinical and scientific knowledge. As Chair of the Technologists Committee, I would like to thank you for your kind acknowledgement of our efforts as well as your precious words of encouragement.

Please continue reaching out, sharing your thoughts, and helping us grow—because together, we can shape the future of Nuclear Medicine Technologists!

With my best regards,

Agata Pietrzak

Chair of the EANM Technologists Committee

TECHNOLOGISTS' TRACK

The EANM Technologists Committee actively works on delivering the most up-to-date and highest-quality educational opportunities. All sessions of this track are specifically designed for technologists.

PAYMENT DEADLINES

If the full amount of your **early registration fee** has not been received on the below mentioned bank account **by July 3, 2025**, the advanced registration fee will automatically become effective. Therefore, we strongly encourage participants to pay last-minute registrations via credit card only!

If the full amount of your **advanced registration fee** has not been received on the below mentioned bank account by **September 23, 2025**, the on-site registration fee will automatically become effective. Therefore, we strongly recommend paying last-minute registrations via credit card only!

PAYMENT OF REGISTRATION FEE

Registration fees must be paid in Euro (€)

1) Either via bank transfer to:

Account owner: EANM –
European Association of Nuclear Medicine
Account name: EANM – Registration
BAN: AT67 2011 1827 2304 6101
BIC: GIBAATWWXXX- Bank: Erste Bank,
Taborstrasse 26, 1020 Vienna, Austria

Please do not forget to indicate your name and order number! A confirmation e-mail will be forwarded to you as soon as we received the full payment.

2) Or via credit card online:

We can only accept Visa and MasterCard. **Diners Club and American Express are not accepted!** A confirmation e-mail will be forwarded to you as soon as you have completed your registration.

BANK TRANSFER CHARGES

All bank charges for the transfer service must be paid by the participant. Open amounts must be settled before receiving a congress name badge.

LATE PAYMENT

Fees that have been forwarded too late may not have been credited to the congress account when the meeting starts. To avoid double payment, please make sure to bring a copy of your receipt/bank statement.

*Please note:
Down-payments cannot be accepted.*

ON-SITE PAYMENT

On-site registration is possible only via credit card payment. No cash payments will be accepted.

NAME BADGES

The name badges for the EANM'25 will only be issued on-site between October, 4, 2025 and October 8, 2025. The badges must be collected in person.

A confirmation email including a QR code will be issued upon successful completion of registration. With this QR code, along with a valid photo ID, the name badge can be printed onsite in the registration area.

LOST / FORGOTTEN NAME BADGES

Please note that name badges are considered official documents (comparable to a flight ticket, a theatre ticket etc.) and cannot be transferred. If you lose or forget your badge, you will have to purchase a new badge at the full price from the Registration Desk.

NAME CHANGES

Name changes will not be accepted! EANM offers an extensive cancellation insurance package for unforeseen circumstances, bookable through the online registration platform.

WRONG REGISTRATION TYPE

If an overpayment occurs because you selected an incorrect registration type, please be aware that refunds will not be possible.

Should you register under a registration type that incurs a lower fee due to choosing an incorrect category, we will automatically update your registration to the appropriate category, and the corresponding higher fee will apply.

CANCELLATION OF REGISTRATION

Any cancellation must be notified in writing to the EANM Office at registration@eanm.org. If you cancel your registration by July 3, 2025 you will be eligible for a refund minus a €100 administrative fee, which will be processed after the end of the congress.

Cancellations made after July 4, 2025 will incur in a 100% cancellation fee and thus will not be eligible for any refund.

Please note that the EANM Office offers an extensive cancellation insurance package for unforeseen circumstances, bookable through the online registration platform.

PAYMENT OF CANCELLATION / ADMINISTRATIVE FEE

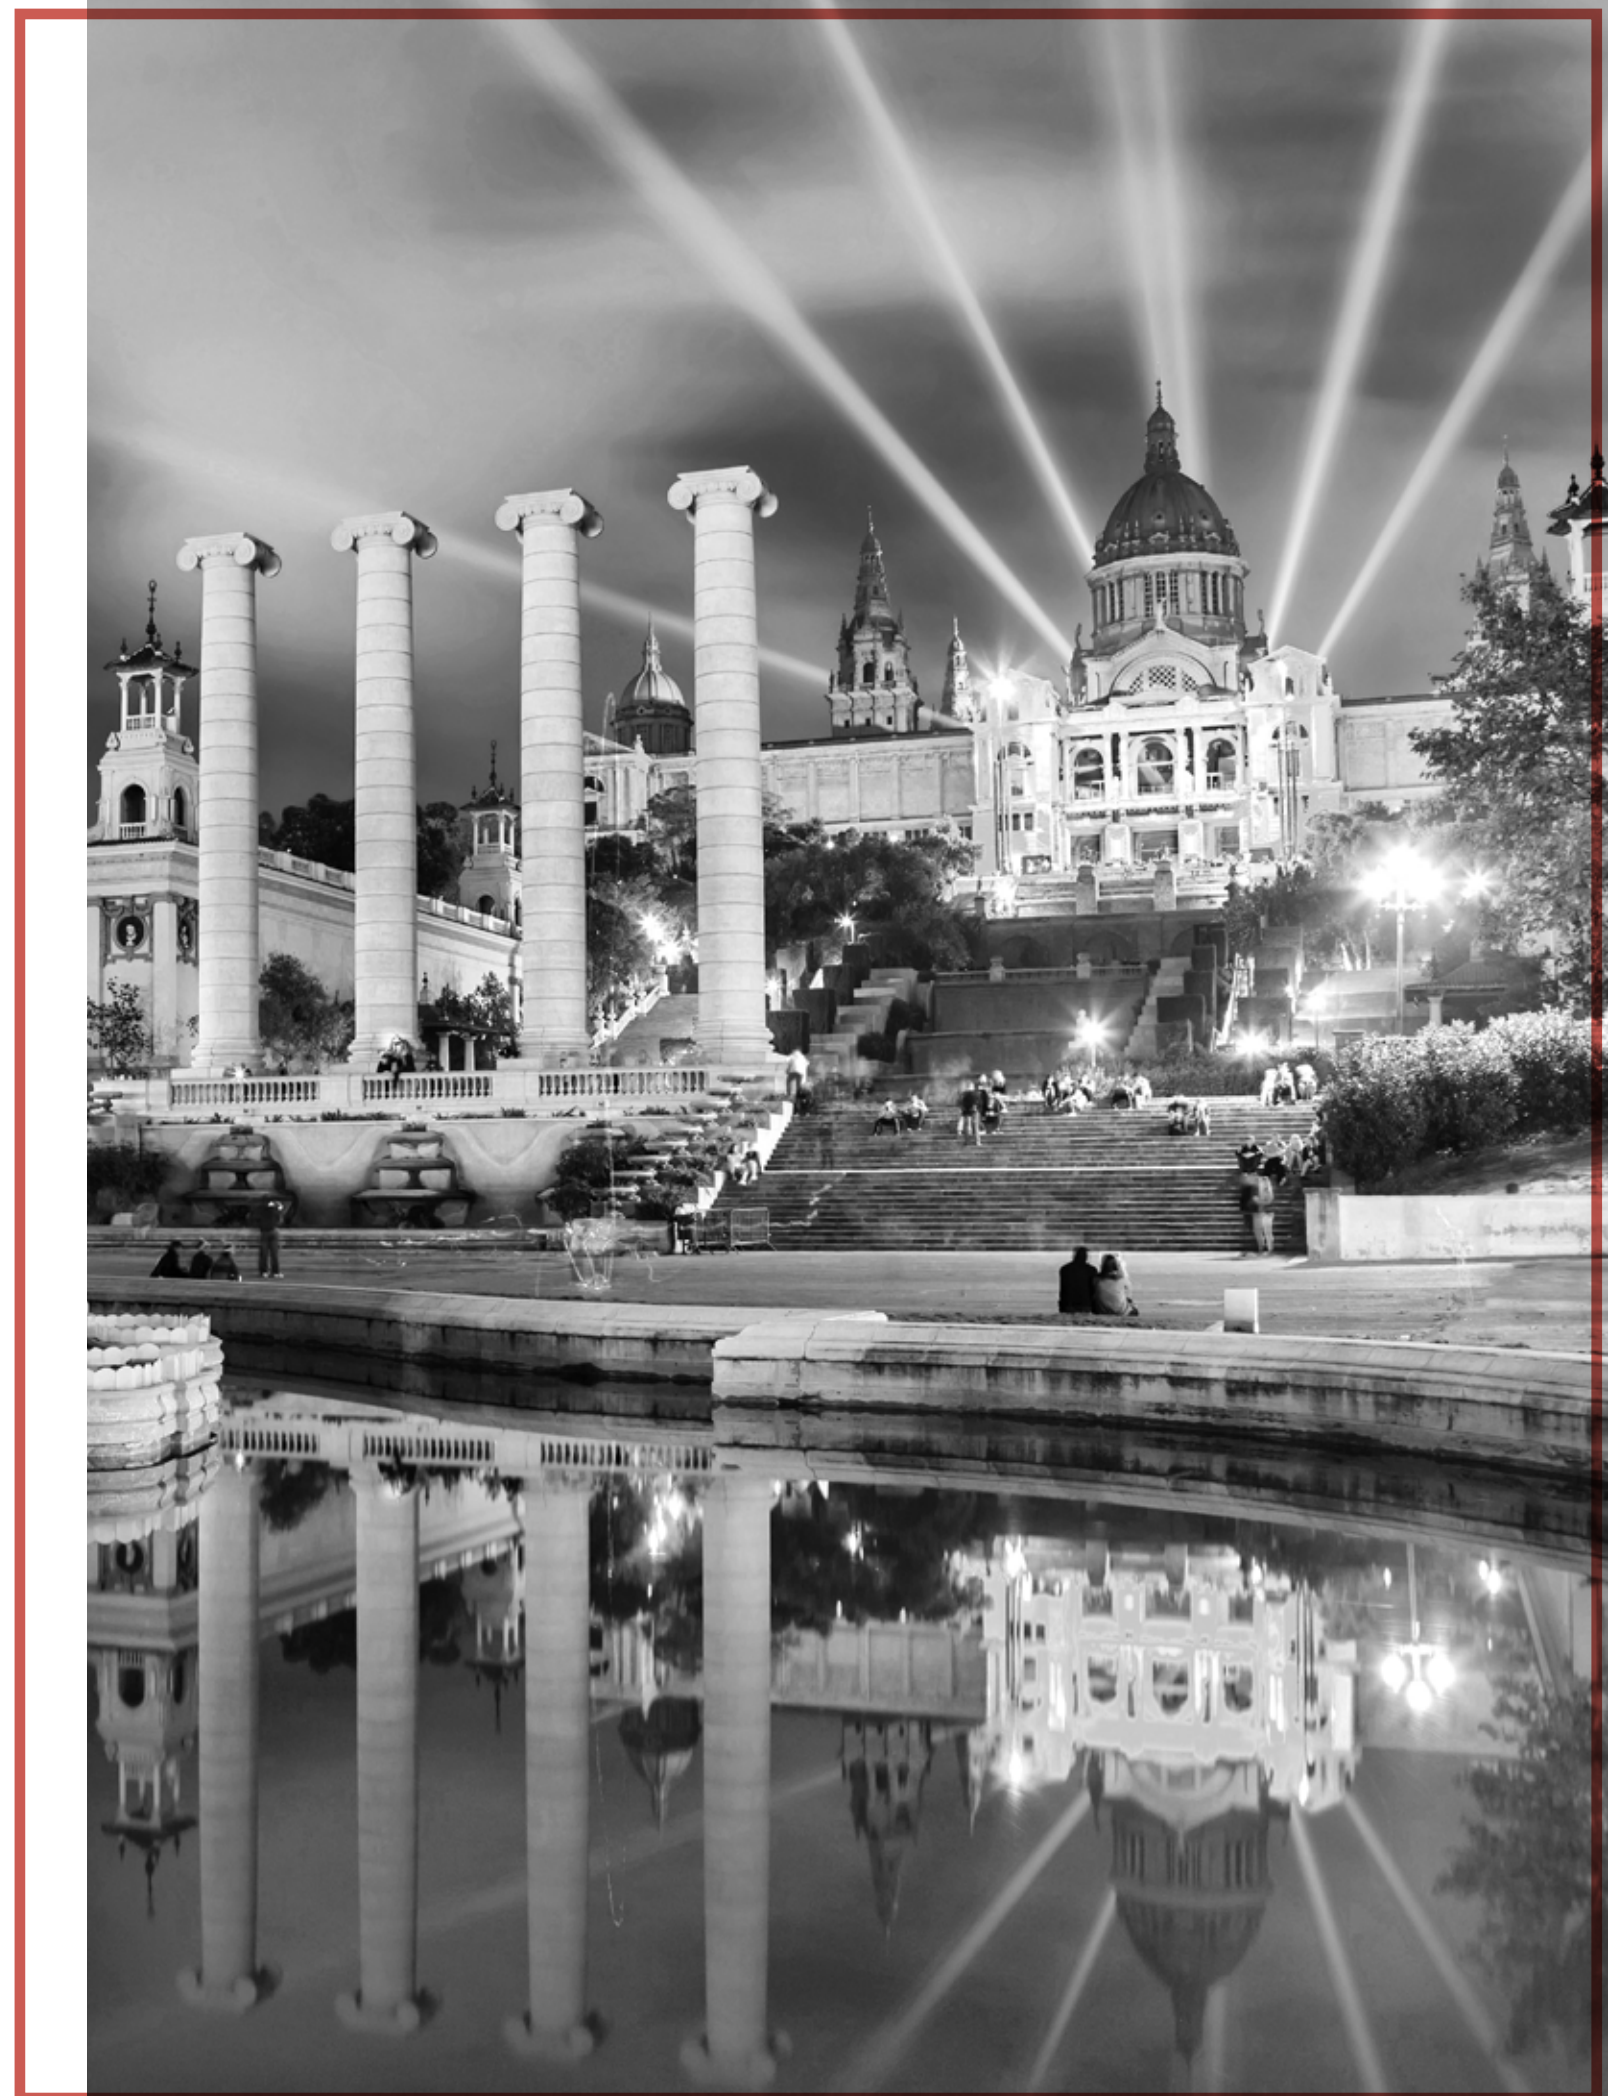

With your registration, you authorise the organiser to charge any occurring registration cancellation/administrative fees (under the terms and conditions explained in this registration process) to your given credit card.

LIABILITY

Should any technical reasons beyond the control of the organisers make any change necessary, the EANM will not be held responsible.

Additionally, the EANM is not responsible for any personal loss, injury, or damage to property, regardless of the cause. While the providers of transportation and other services retain their own liability, participants choose to engage in any tours or trips at their own risk.

Please note that only written agreements are considered legally binding. The sole congress venue is Barcelona. By completing your registration, you authorise the organiser to process all the information provided in the registration form for managing the congress and for necessary communications with related service providers. Since the EANM Executive Office is based in Austria, all matters will be governed by Austrian law, and any legal proceedings will take place in Vienna.

GENERAL INFORMATION

CALL FOR ABSTRACTS

The abstract submission deadline is April 25, 2025. Authors will receive an e-mail notifying them of their acceptance on June 20, 2025. For more information, please refer to our congress website (eanm25.eanm.org).

CANCELLATION & INSURANCE

Conference Cancellation or Postponement

The EANM accepts no liability if an event is cancelled or postponed for reasons beyond its reasonable control resulting from an act of God, governmental regulation, fire, war, terrorist activity or civil commotion. If the EANM elects to re-schedule the conference, all registrations and additional items are automatically rolled over to

the new dates of the conference. If the EANM elects to cancel the event, the liability is limited to a refund of registration costs, subject to fees and conditions. The EANM will not refund any travel costs associated with the cancellation of the event. Accommodation pre-payments will be refunded subject to the terms and conditions of the hotel.

Insurance

Delegates are strongly advised to secure appropriate travel and health insurance. Delegate registration fees do not provide any such insurance coverage. The EANM accepts no responsibility or liability against cancellations of bookings, loss or inconvenience or theft/damage to belongings in this regard.

As an additional service, EANM offers the possibility to contract (during the online registration) a personal cancellation insurance. The cancellation insurance offered by "Europäische Reiseversicherung" covers up to 100% of your registration fees and hotel cancellation fees in the event of your cancellation for any cause provided in the insurance terms.

AIRPORT & ARRIVAL INFORMATION

AIRPORT

The Josep Tarradellas Barcelona-El Prat airport is located 12 km southwest of the city. It takes approximately 20-25 minutes by car to the city centre. There is a free bus shuttle between the two Terminals T1 and T2. For further information on the airport please visit: <http://www.barcelona-airport.com>

Alternatively, Barcelona can be reached by train or intercity bus from neighbouring countries like France or Portugal. For further information, please check with your national railway provider.

The most efficient, cost-effective, and environmentally friendly way of travelling from the airport to the city centre is through public transportation.

PUBLIC TRANSPORT

Public transportation is by far the easiest way to get around the city. The city's metro, buses, and trams are efficient, affordable, and all-around excellent. One can either buy a single trip ticket for € 2,65 or a T-casual ticket (10 rides in 1 zone) for € 12,55 or a T-dia (valid 24 hours in 1 zone) for € 11,55, which can be used for any transportation within the city. Alternatively, there is the Hola Barcelona Travel Card which offers unlimited travel for 2-5 days on all major public transport, including the airport metro.

For further information on the public transportation system, please visit the official TMB website: <https://www.tmb.cat/en/home>

Taxi service is everywhere in the city. However, on weekend nights the waiting time might be long.

AIRPORT BUS

The Aerobus shuttle bus (A1 and A2) connects the airport with the city centre in around 35 minutes. It departs from Terminal T1 and Terminal T2 every 5-10 minutes. A one-way ticket costs 7.25€ and a round-trip ticket costs 12,50€.

For further information, please visit: <https://aerobusbarcelona.es/>

METRO

The metro line L9 Sud connects both Terminals T1 and T2 to the city in around 20-30 minutes. A one-way ticket can be purchased for 5,70€. For further information, please visit: <https://www.tmb.cat/>

TRAIN

The train R2 Nord leaves every 30 minutes and reaches the station Barcelona-Sants in around 20 minutes for 2,65€ per ticket. Please be aware that the train only departs from Terminal T2 - if you arrive in Terminal T1, then you can take the free shuttle bus to Terminal T2.

TAXI

Taxis are available at the taxi stands in front of Terminal 1 and Terminal 2 - please look for the signs for the nearest taxi stand when leaving the arrival halls. An average journey by taxi from the Barcelona Airport to downtown takes about 20-40 minutes and costs around € 30-40. Official taxis are black and yellow.

Please find below the contact details of the main taxi companies:

- » Associació Ràdio Taxi Miramar: 934 331 020
- » Cooperativa de Ràdio Taxi Metropolitana de Barcelona: 932 250 000
- » Ràdio Taxi 033: 933 033 033
- » Servi Taxi: 933 300 300
- » Taxi Groc: 933 222 222

ACCOMMODATION INFORMATION

GENERAL INFORMATION

ENITED, our official housing agency, has secured a selection of hotel rooms in central locations with easy access to Barcelona's public transportation system. Rooms will be assigned on a firstcome, first-served basis. Early booking is highly recommended to ensure the best selection.

Room rates are quoted in Euro (€) per room and per night, and include breakfast, local VAT, and the City Tax.

Check this page of all the info [here](#).

BOOKING PROCEDURE

To book your hotel room for the event, please use the [online registration platform](#), or do so via [myEANM-Area](#). Room reservations must be made exclusively online using the link provided for that purpose.

During the process, you will be required to enter your full credit card details (card type, cardholder name, card number, expiry date, and CVC code). The total amount of your stay will be automatically charged to your credit card. An invoice as well as a booking confirmation will be sent to the e-mail address you provided when making the reservation.

Please note that reservations are limited to one room per transaction. Complete guest details must be completed for each booking. After completing one reservation, you may start a new booking for additional rooms.

Reservations for 5 or more rooms are considered a group booking and need to be requested to **ENITED** at eanm25@eanm.org.

LIABILITY

Should any technical reasons beyond the control of the organisers make any change necessary, the EANM will not be held responsible.

Additionally, the EANM is not responsible for any personal loss, injury, or damage to property, regardless of the cause. While the providers of transportation and other services retain their own liability, participants choose to engage in any tours or trips at their own risk.

Please note that only written agreements are considered legally binding. The sole congress venue is Hamburg. By completing your registration, you authorise the organiser to process all the information provided in the registration form for managing the congress and for necessary communications with related service providers. Since the EANM Executive Office is based in Vienna, all matters will be governed by Austrian law, and any legal proceedings will take place in Vienna.

ROOM AVAILABILITY

Rooms will be assigned on a first-come, first-served basis. If your chosen dates and/or the room type you are looking for are not available online, please contact **ENITED** at eanm25@enited.eu. They will do their best to meet your needs.

GROUP BOOKINGS

For information on the procedure for hotel group bookings, please contact ENITED Business Events at eanm25@enited.eu.

CANCELLATION OF YOUR HOTEL RESERVATION

Individual bookings

If you wish to cancel your hotel reservation, please keep in mind the following dates:

Until May 15, 2025: no cancellation fee / free of charge

After May 15, 2025: 100% of the reserved stay will be charged.

Please note in the event of room cancellations after the deadline, ENITED Business Events and the hotel will try to re-sell the cancelled room to avoid charges. If this cannot be done, we will proceed to charge a 100% of the reserved stay.

Group bookings/allotments

Reservations by the same person for 6 rooms or more are considered as group reservations and will be managed by **ENITED**. A separate contract with the corresponding conditions for cancellation and reduction will be issued at the time of the reservation.

NO-SHOW

Should you fail to arrive ('no-show') at any hotel listed for the EANM Annual Congress, you will be subject to a penalty fee equivalent to 100% of the total cost of your reserved stay.

LIST OF HOTELS

The rates mentioned are valid for 2025 in Euro (€) per room/per night, including breakfast and VAT and local City Tax. All the selected hotels offer Wi-Fi.
